All trainings labeled as level 1 or 2 correspond to the requirements of EN 4179 and NAS 410

Trainings labeled as "Refresher" serve the completion of requirements to extend a license in accordance with EN 4179, article 8.5. In connection with a valid approval subject to SNT-TC-1A, ISO 9712 or EN 473, the existence of the requirements for granting an approval subject to EN 4179 can be proven.

Version: 22.01.2018

Registration and Payment Arrangements:

For registration, please use our Training Ordering Sheet.
Written applications and cancellations have to be addressed to:
