The participant needs to provide evidence that they have fulfilled a minimum of the required experience hours before entering the examination: 75% for the specific part and 100% for the practical part.

The required experience hours must be completed prior to the examination, because otherwise the exam participation will be declined.

The Responsible Level 3 confirms the completion of experience hours via their signature on this document.

Please select the applicable items. This needs to be done by the Responsible Level 3.

Method	Level	Method specific techniques (mandatory field)	Exam type
PT	Level 1	Example: • For UT: Contact technique	a) Initial exam (incl. d, e, f)
MT	Level 2		b) Re-certification (Refresher)
TT (previously IRT)	Level 3		c) Re-examination (after failed attempt)
ET			d) General exam only
UT			e) Specific exam only
PAUT			f) Practical exam only
			g) Practical exam level 2 for level 3
			h) Re-certification (without training course)

3) Specific examination

Do you need support for the creation of company-specific exams (theoretical/practical)?

Yes (fee required)

If yes:
Please specify your requirements, specifications and parts details and send the information to the Testia Training Center at least 8 weeks before the beginning of the course.

No

If no:
The Responsible Level 3 of the employer will provide the Testia Training Center with the exam documents two weeks prior OR will conduct the company-specific examination by themselves.

Please fill the following 4 form fields, if the company-specific examination shall be conducted by the training center:

Specific part:

Specifications that shall be used, including issue and revision numbers:
Details about specific acceptance criteria (please specify, which information should be included on the exam certificate).

Product technology:

If you require product technology questions included in the specific paper, please specify what sectors or product types you wish to be covered and how many questions are needed.

Practical part:

Number and type of samples / parts and techniques, which are required for the method.

Company-specific products:

Detailed product types, e.g. cast parts, casings, scoops, composite materials etc.

4) Signature

To be filled by the Responsible Level 3:

With my signature, I confirm that the participant does fulfill the minimum experience hours requirement prior to the exam (see page 1)

I have read the [legal statement and privacy notice](#) and accept them.
